

ARCHITECTURAL
GRATES + DRAINS

65TRi40MTL

Linear Drain

The 65TR40 is standard style grate featuring a 3mm wire/5mm gap.

The 65TRi40MTL is made to specific lengths with a customised outlet position along the drain.

The complete drainage unit is full 316 marine grade stainless steel.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished. Electropolishing will reduce the risk of tea staining caused by the salt or chlorine.

Please note that our TR grates have a non finished finish.

Refer to AS3500 for outlet pipe sizes specific to your installation.

Code 65TRi40MTL

Range 65

Grate Style TR

Category Made-to-Length

Channel Material Stainless Steel

Steel Grade 316

Grates longer than 1500mm supplied in sections. Tile Inserts longer than 1200mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on dimensions.
